PRE-DEPARTURE GUIDE

- Click [here](#) to check if you are allowed to travel outside of the Philippines.
- Find out your international destination's travel regulation. Visit this [site](#) for guidelines.
- Ensure that all requirements (*negative RT-PCR test result, BOQ International Certificate of Vaccination, valid visa, travel insurance, etc.*) are met before booking your ticket.
- Book a roundtrip ticket. One-way ticket is only allowed for *Overseas Filipino Workers (OFWs)* and *students abroad*.
- Ensure you have the required travel insurance to cover disruptions and medical expenses in case of COVID-19.
- For *Philippine Airlines (PAL)* passengers, you are required to register and accomplish the *Passenger Profile and Health Declaration (PPHD) Form* and save the *confirmation email* and *QR code*. Some airlines may require you to accomplish the same prior to your flight. You may check each airline's requirement via their website or coordinate with your Marsman Travel Consultant.
- Download the *TRAZE mobile app* and complete registration. The app will also provide another *unique QR code* to utilize in any of the Philippine airports.
- Print, fill-out and sign the *BOI Travel Declaration Form* to be submitted to the Immigration Officer.

AIRPORT SCREENING

- Arrive at the airport at least 3-4 hours before your scheduled departure. This is to accommodate the additional security screening implemented in the airport terminals or at the pre-departure area.
- Only passengers with confirmed bookings are allowed to enter the airport.
- Undergo documentation check at the airport for check-in clearance. The documents checker shall assess the completeness and validity of your documents. There is a possibility that you will not be able to check in and board the flight if you miss any of the requirements.
- Passengers are encouraged to bring their own sanitation/disinfection kit and personal pen to fill-out forms.
- Passengers shall strictly observe the following upon entering the airport and boarding the aircraft:
 - Mandatory wearing of face mask and face shield.
 - Mandatory temperature check, use of foot baths, and disinfection/sanitation facilities.
 - Mandatory physical/social distancing and minimum contact at all times.
 - Mandatory public safety announcement.
 - Compliance to safety procedures at all times.

ARRIVAL AT DESTINATION
