## PRE-ARRIVAL PREPARATION

- 1. Pre-register for an RT-PCR test by accomplishing the e-CIF (Electronic Case Investigation Form) at least 3 days before departure. Save the confirmation and QR code sent to your email to use during your flight.
- 2. Register your BOQ e-HDC to generate a unique QR code which you have to present before boarding and upon arrival in the Philippines. Check this <u>link</u> for the 2-step process.
- 3. For land-based OFWs, create or update your on the OASIS (OFW Assistance Information System).
- 4. Download the TRAZE mobile app and complete registration. The app will also provide another unique QR code to utilize in any of the Philippine airports.
- 5. Sign the Declaration and Waiver Form given to you upon check-in indicating that you are healthy and fit to travel.

# **DURING THE FLIGHT**

Fill out the forms given to you upon check-in and or boarding the plane:

- Bureau of Customs Form
- OWWA Care Slip
- Affidavit of Undertaking Form (if not accomplished yet)

# **ARRIVAL PROCEDURES**

- 1. Mandatory wearing of face mask and face shield.
- 2. Listen to the quarantine briefing conducted by the Philippine Coast Guard. Undergo temperature check upon deplaning and present your e-HDC QR code.
- 3. For sea-based, proceed to the verification booth. The land-based can skip this step.
- 4. Clear with immigration and submit your Arrival Card.
- 5. Proceed to respective desk for hotel quarantine assignment.
  - OWWA Desk: for land-based OFWs and dependents, present your e-CIF QR code and the OWWA Care Slip
  - MARINA Desk: for sea-based OFWs and dependents
- 6. Claim your baggage and submit the Bureau of Customs Form.
- Transfer to your assigned hotel through the shuttle/bus provided by OWWA/LMA (Local Manning Agency).

## HOTEL OUARANTINE

- 1. Proceed to facility quarantine and wait for the schedule of your test. Your accommodation and food during your stay will be shouldered by the Philippine government. Any additional hotel fees due to required extensions will be shouldered by their governing agency.
- 2. Release of test result.
  - Negative Test Result: Present the test result and certificate released to you to the quarantine personnel assigned at your hotel to obtain Quarantine Clearance and be able to go home on the 10th day.
  - Positive Test Result: BOQ will endorse the passenger to a hospital for medical management.
- 3. Once cleared to go home, you may contact your relatives to pick you up from your hotel or coordinate with OWWA (land-based) and LMAs (sea-based) for further transportation assistance.
- 4. After returning home, travelers must complete the self-monitoring or home quarantine requirements.
